

EQUIPMENT RENTAL POLICY

Date approved:

Revision: March 9, 2020

Original: August 22, 2018

Purpose

The RMC charges rental fees to protect member's investment in equipment and to provide for long-term replacement of assets.

Policy

The Regina Multisport Club will rent out our trailer and equipment depending on availability and at the discretion of the Board of Directors.

Race Equipment

The cost to rent the trailer and all equipment up to a maximum of 4 days is \$500, with \$100 charge per additional day. The renter must arrange for transport of the trailer. The trailer and its contents are classified as a heavy trailer. SGI's requirement to pull a heavy trailer is either a Class 1 licence or a G endorsement on a Class 2, 3, 4, or 5 licence. A \$1,500 damage and inventory control deposit is required. Further information is found in RMC's Equipment Management Procedure.

Renters are responsible for any loss or damage to rented equipment.

The Club will also lend equipment to certified triathlon coaches affiliated with the club for the purpose of triathlon training.

The Board may also partner with other clubs or events and provide equipment as part of the partnership at no cost.

Bike Boxes

RMC owns two (2) BikeBox Alan Triathlon Aero Easyfit Bike Boxes for loan to RMC members. Subject to availability, members can borrow a box for one (1) week in return for volunteering at one or more of our race events for a total of four (4) hours, and additional weeks for volunteering an additional two (2) hours per week required.

Bike box requests will be processed on a first come, first served basis.

Other than normal wear and tear on the bike boxes, members borrowing bike boxes are responsible for any loss or damage to the bike box and its contents.

Rental requests can be sent to equipment@reginamultisport.com.

It is the responsibility of RMC's Equipment Manager that this policy is carried out.
